

CyberNow

Available to trade on Acturis

AIG are ever evolving to meet the needs of our brokers and as such, have listened to your feedback on purchase preferences. We are pleased to launch our Cyber coverage onto the CyberNow question set on Acturis. Our CyberNow solution streamlines the broker journey with a simplified question set, offering the complete coverage available from CyberEdge via Acturis.

First Response

It is important to react quickly to a data breach or cyber security incident. Knowing who to turn to for immediate specialist assistance can help to contain the incident and get a business back up and running as soon as possible. Our First Response cover provides swift access to expert legal and IT forensics support.

Event Management

After a cyber-attack, organisations will require a range of services to get their business back on track. CyberEdge's Event Management cover pays for Legal, IT, PR services, Credit and ID Monitoring in addition to Data Restoration, Breach Notification and Cyber Extortion costs. When an event occurs, having the correct expertise on hand can result in dramatically improved outcomes – especially when underpinned by First Response.

Network Interruption

Network Interruption covers loss of income, mitigation expenses and forensic accountant costs to quantify the loss when business operations are interrupted by a selected peril including a cyber security breach, system failure and voluntary shutdown to contain a cyber incident. With CyberNow, clients will receive our full level of network interruption cover, see below for further details.

Cyber Loss Control Services

For eligible clients, complimentary tools and services are included with their CyberEdge policy to provide knowledge, training, security, and advisory solutions. To learn more about these services, visit our [SME Cyber Hub](#) to view the services available based on your business size.

Online Appetite

Our e-trading appetite via Acturis includes:

- Up to £100,000,000 turnover
- UK domiciled companies
- Maximum £3,000,000 aggregate limit

Cyber risks that fall outside of our e-trade appetite can be submitted to our open market trading teams for review.

Cyber Claims Expertise

CyberEdge is underpinned by the deep experience of our cyber claims team. At AIG, our adjusters have handled all types of cyber incidents including ransomware, business email compromise or breaches of personal information.
