Specialised claims adjusters

By allocating claims into our three different centres of excellence, Express, Complex and Major Loss depending on their complexity, our customers benefit through the speedy settlement of more straightforward claims – whilst gaining the right expertise and focus on larger and more technically challenging claims.

Our Property Claims Promise

In the event of a major claim, AIG will confirm coverage under the policy as quickly as reasonably possible. Once coverage is confirmed, we promise to provide the Policyholder with immediate working funds of up to 50% of our share of the agreed estimate within 7 days* for:

- Property damage/repairs
- Clean-up costs
- Extra expense/increased cost of working
