Multinational programmes for ALL traditional and emerging insurance lines, including Cyber, Trade Credit and A&H

Claims help when it matters most

With 5,500 + claims professionals across our global network, clients have comfort that in the event of a loss, AIG can be on-site to meet their needs as appropriate. Payments are made in-country where possible and clients can customise their claims handling instructions to ensure global consistency (local law and regulations permitting).

AIG Multinational Differentiators

Expert People

Our London multinational team of over 65 dedicated specialists from over 15 countries has multilingual capabilities in over 20 languages. In AIG's experience, feedback indicates that clients and brokers value the ease of calling an individual expert to resolve issues across a programme.

Global Footprint

Our global network of strong and well-established offices throughout the world, in combination with our top-tier local partner insurers, means we can issue policies and service multinational clients in over 200 jurisdictions.

Proactive Servicing

Our multinational end-to-end process is designed to deliver timely local policy issuance, contract certainty, regulatory compliance, country alignment and early allocation of premiums. Our process creates time efficiencies and ensures sophisticated claims handling with no gaps in local policy coverage.

Customised Solutions

Using our multinational and alternative risk management capabilities, we work with clients and brokers to produce bespoke multinational solutions. This allows our broker partners to respond to a wide range of multinational opportunities across all lines, sizes, sectors, and geographies worldwide.

Programme Tools

A range of robust tools and technology gives multinational clients and brokers access to all the information for effective global programme management directly to all devices. This includes the myAIG Client Portal with daily updates, drilldown views of portfolio performance and our global, online, on-demand claims analysis.

American International Group, Inc. (NYSE: AIG) is a leading global insurance organization. AIG provides insurance solutions that help businesses and individuals in more than 200 countries and jurisdictions protect their assets and manage risks through AIG operations, licenses and authorizations as well as network partners. For additional information, visit www.aig.com. This website with additional information about AIG has been provided as a convenience, and the information contained on such website is not incorporated by reference herein. AIG is the marketing name for the worldwide operations of American International Group, Inc. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds. American International Group UK Limited is registered in England: company number 10737370. Registered address: The AIG Building, 58 Fenchurch Street, London EC3M 4AB. American International Group UK Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority (FRN number 781109). This information can be checked by visiting the FS Register (www.fca.org.uk/register).
